

# What is NLP?

## Imagine What You Can Do

# Imagine what you can do with NLP

- Choose a field you are interested in.
- Research how NLP is already used in that field
- How else do you think NLP can be used?
- Share your findings and ideas with the class

## Exit ticket: Unit 1.04 - Imagine What You Can Do With NLP

How can NLP be useful? In what ways is it also scary?
