

Sentiment Analysis Without Machine Learning

Build a Chatbot

DISCUSSION

- What kinds of questions did you ask? What kinds of answers did Eliza give?

Brainstorming

- What kind of chatbot do you want to make? Why?
- What kinds of things might this chatbot say?
- Work with a partner to fill out the worksheet for your own chatbot.
- Share your worksheet with another person in the class. Can they make any improvements?

Create your chatbot

Using your brainstorm as a starting place, build your chatbot.

Gallery Walk

1. Interact with other people's chatbots.
2. **Glow:** Write on a sticky note - 1 thing you liked
3. **Grow:** Write on a sticky note - 1 thing you think could be improved

DISCUSSION

- How did it feel giving / receiving feedback?
- What about your program are you proud of?

DISCUSSION

- Is your chatbot AI? Why or why not?
